Dear Parents, Guardians, and Staff,

The Port Washington Union Free School District is pleased to announce the relaunch of the District's official Facebook page! The page will provide us with an additional platform to promote District and individual school events, activities, and the wonderful accomplishments of our students and faculty. It will also provide us with another way of getting important information out to the community, such as weather-related school closings or delays, Board of Education meetings and other District information important to the community.

While the page will be an informational tool, there are specific guidelines we will be asking the community to follow. The page will not permit outside posts and commenting will be restricted. This is necessary, as to do otherwise would require the District to allocate both personnel and financial resources to closely monitor the page on a daily, almost 24/7 basis; and at the current time, the District does not consider this a responsible use of District funds.

Community members who have questions or comments should continue to use the communication channels they have always used, including contacting a teacher or building principal, or when appropriate, District administration.

We invite you to "like" us on Facebook—@PortWashSchools—and share the District's page with friends and family.

Sincerely,

Kathleen A. Mooney, Ed.D.
Superintendent of Schools
